

Your Autumn Break

BCP Short Breaks provide positive holiday activities for young people aged 5-19 with special needs and disabilities, who may struggle to access mainstream activities.

We understand that some young people may have more complex needs, medical needs or may present with some challenging behaviour and therefore we invite you to contact us if you have any concerns or feel your young person may need more support whilst attending BCP Short Breaks.

The deadline for Booking is Friday 8th October 2021. Bookings need to be made via the link provided at the end of this flyer. The link will expire at 7pm on this day so please ensure you have booked in time to avoid disappointment.

When places have been allocated, you will receive a letter via email confirming the activities you have been given. This will also provide details of how and when you can pay for your Autumn Break activities.
