GCSE Examination Arrangements Monday 11th May until Monday 15th June 2026

(Contingency Day 24 June 2026)

Please find attached a copy of the GCSE Summer 2026 timetable. Please note that examinations run from Monday 11th May until Monday 15th June.

Not all pupils will be entered for every GCSE on the attached timetable as each child's timetable is individual and will be sent out in due course. Examination entries will be clearly outlined on pupils' individual timetables and I will be calling home to clarify the attendance requirements.

It is vitally important that your child attends all examinations that they have been entered for and work hard to achieve their potential. Accreditation is an important part of every child's education.

As from Monday 1st June 2026, Year 11 pupils will only be required to attend the Centre when they have an examination.

Please note that examination boards have set a Contingency Day of Wednesday 24th June 2026. The designation of a 'contingency day' is in the event of national or local disruption to examinations and pupils are asked to be available on 24th June 2026 in case a disrupted examination needs to run on this date.

GCSE Results day is Thursday 20th August 2026, and information on results collection will be sent out nearer the time.

Should you have any questions please do not hesitate to contact Debbie Tomson on 01202 471410.
