Disadvantaged pupil barriers to success

Negative experience of education resulting in permanent exclusion or extended time out of education.

Pupils have developed poor behaviours over time after accessing a variety of different educational settings.

Mis diagnosis /no diagnosis when one is required.

Poor/negative social and economical experiences or background.

Targeted academic support for current academic year

Intention	Intervention	Impact
Priority 1: All pupils to have access to an appropriate hot/cold free school meal.	CLC staff to complete appropriate training in order to prepare food for pupils.	All pupils have access to a free school meal during school hours, which is cost effective and nutritionally appropriate. Total Cost: £8000

	Pupil Voice to be consulted regarding the support offered and the food options.	Pupils feel valued and part of the school community through shared lunch and eating experiences.
		Pupils are able to access provision free of hunger. Basic needs are met, which will enable them to concentrate and engage.
Priority 2: All pupils have access to a free school jumper on admission.	PP pupils have access to a second free jumper as required.	Pupils feel valued and part of the school community.
		Pupils are able to access education regardless of their economic background. Total Cost: £800
Priority 3: All pupils to have access to school trips and visits.	Development of the curriculum to include off-site visits and local excursions which enrich curriculum experiences.	At cost.
	All PP pupils are able to access educational visits and trips that are not subsidised.	At cost
	All pupils are encouraged to participate in DofE Award with financial support towards equipment and clothing for residential trips.	Total Cost: £2,000
Priority 4: Development of Reading and Writing strategies to support lost learning and access to the curriculum.	Appoint a Literacy Lead, with appropriate training to implement a whole school strategy.	Pupils will be able to demonstrate improved outcomes from their starting point.
	Invest in appropriate resources to enhance opportunities to develop reading and writing skills across the school.	Pupils will be able to demonstrate positive behaviour and attainment points due to improved ability to engage with learning.
	Purchase of Reading Plus and Bedrock software to engage all pupils	Pupils will demonstrate a positive attitude towards learning and have greater opportunity for successful outcomes. Total Cost: £2,500

<p>Priority 5: Attendance</p>	<p>Outreach hours increased to target persistent non-attenders. An increase in home visits, safe and well checks.</p>	<p>Reduction in persistent non-attendance. Raise the status and expectation of consistent attendance. Identify any additional support/interventions required to enable pupils to attend positively. Total Cost: £5,000</p>

Total Budgeted Cost: £18,300
